Tom Wheeler
Chairman, Federal Communications Commission
445 12th Street, SW
Washington, DC 20554

Dear Chairman Wheeler,

New Charter has stated that they are committed to net neutrality, never imposing data caps or usage-based billing, as well as bringing jobs back to the United States. These are ideas we can stand behind. We urge you to approve the merger of Charter Communications, Time Warner Cable, and Bright House Networks into New Charter.

Our very best,
The Wilmer Amina Carter Foundation
